

FREE ENERGY IMPROVEMENTS

through the South County Community Action Agency's
Weatherization Program.

This special opportunity is available to
SCCAA HEATING ASSISTANCE PARTICIPANTS

RESPOND BEFORE THE HEATING SEASON RUSH BEGINS.

- Insulate walls and attics
- Seal drafty windows and doors
- Replace energy consuming refrigerators and freezers with efficient energy star appliances
- Test and evaluate efficiency of natural gas, oil or propane heating systems
- Install the newest energy saving lightbulbs, LEDs, which last much longer and have a much improved quality and quantity of light

This **FREE** energy assessment will be performed by a certified energy technician. The latest equipment and techniques are used to determine the steps that will make your home more energy efficient.

South County Community Action will arrange for the assessment, the improvements, and will inspect all work upon completion.

**SAVE MONEY ON YOUR HEATING BILLS,
SAVE ENERGY AND REDUCE YOUR CARBON FOOTPRINT
THIS YEAR, AND FOR MANY YEARS TO COME.**
